

**With a gun, a man made  
Sarah give up her purse.**

**With her help, we just made him  
give up the next eight years.**

The District Attorney General of Shelby County has  
no interest in making deals with violent criminals.  
If you do it, you'll get every second of hard time  
we can give you for it. Count on it.

**NO  
DEALS.**

**HARD CRIME  
GETS ALL THE TIME.**
