

**COMMIT A GUN CRIME
AND WE WON'T JUST SEND YOU TO PRISON,
WE'LL SEND YOU TO YANKTON.**

It's a federal prison in the middle of nowhere.
Nobody you know has a clue where it is. There's no airport, no bus station, no Amtrak.
In summer, the mosquitoes are mean and hungry because there aren't a whole lot of people around.

Commit a gun crime and you're alone. In Yankton.
